

### REMARKS

Claims 1 through 11, 20, 22-26 and 27 through 30 are in this application and are presented for consideration. Claims 1 and 25 have been amended. New claim 30 has been added.

The claims have also been amended in accordance with the Examiner's indication of allowable subject matter. Applicant thanks the Examiner for indicating allowable subject matter.

Independent claim 1 has been amended to include the features of claim 21. The Office Action has indicated that the features of claim 21 define over the prior art. It is Applicant's position that independent claim 1 and its dependent claims are now allowable.

Independent claim 25 has been amended to include the features of claim 22. The Office Action has indicated that the features of claim 22 define over the prior art. It is Applicant's position that independent claim 25 and its dependent claims are now allowable.

New claim 30 is a combination of claims 1 and 22. The Office Action indicates that such a combination would be allowable. It is applicant's position that new claim 30 is therefore allowable.

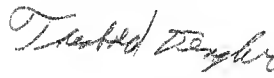

Applicant notes that claim 26 sets forth features similar to those features indicated to be allowable in claim 21. It is applicant's position therefore that claim 26 in the amendment of February 10, 2009, should be allowable.

Applicant again thanks the Examiner for indicating allowable subject matter. If the Examiner has any comments or suggestions which would further favorable prosecution of this

application, the Examiner is invited to contact applicant's representative by telephone.

At this time applicant respectfully requests reconsideration of this application, and based on the above amendments and remarks, respectfully solicits allowance of this application.

Respectfully submitted  
for Applicant,
